Re: F.O.P. Lodge #111 Scholarship Program

Through the continued dedication of FOP Lodge 111, I am pleased to offer the FOP Lodge 111 college scholarship program for high school graduates. This scholarship will be awarded to two graduating high school seniors planning to continue their education. The scholarship will be made payable to the student and the institute of higher education and will be a non-renewable scholarship of \$500 for each successful applicant.

The scholarship is open only to graduating seniors who are dependents of a member in good standing with the FOP Lodge 111. The applicant must be attending a university, college, community college or trade school. All completed applications must be returned to Vice President Porta in a sealed envelope marked "FOP Scholarship" by **April 30, 2024**. Sealed envelopes may be delivered directly to the Vice President or mailed to the Lodge at 814 Albert Street, Salisbury, MD 21804.

In the event more than two seniors apply, the envelopes will remain sealed, and a panel of three people not directly affiliated with FOP Lodge 111 will be selected. All contents of the applications will only remain known to this panel. No member of FOP Lodge 111 will open/review or receive any information contained in the applications except the winners' essay. If two or less applications are received a FOP Lodge 111 board member will open the applications so that the scholarships can be awarded.
